A Christian Response  
to Hunger

# Anglican Grow hope

Meet Chris and  
Leianne, and  
Jonathan Lea ... our  
farming family!

They are donating 15  
acres of their  
farmland to Grow  
Hope.

Memorandum of understanding is signed!

When you sponsor one of 15 acres of the Lea's Manitoba farmland, the proceeds help end hunger.

Through sun, soil, rain  
and skill, each \$300  
acre can grow to be  
\$400 - \$450 for  
PWRDF by harvest  
time.

Then that \$400 - \$450 can grow by 4 again (to \$1600 - \$1800!) through federal matching funds at the Canadian Foodgrains Bank. Together we can indeed grow hope!
