## *Holy Week and Easter*

*Greetings in Christ who is shaping and forming us the One Body.*

*We are here in upper rooms, along the pathways, in Pilate's halls and moving toward Golgotha. We are here deeply yearning for the bread that is you risen to fullness risen to share and love. We are here within our present moment, a time of uncertainty and war, a time of interdependence and blessed care. We are, here.*

*I pray God to bless the pathway before the feet of the Body to sanctify the feasts that bear great joy to the world, and to surprise all with Holy Presence in the breaking of bread. The world is praying to God for peace, sustenance and mercy; let us, Christ's hands, feet, eyes and ears serve from our abundance to bring safety, resources and kindness to the world.*

*"Christ has no body now but yours. no hands, no feet on Earth but yours. Yours are the eyes with which he sees. Yours are the feet with which he walks. Yours are the hands with which He blesses all the world:*

*Yours are the hands."* (Theresa of Avil, a paraphrase)

*May your faith be reassured, your relationships rekindled and brought to effervescent joy, and affirmation be yours in the ministry to which God calls you.*
